

Important Announcement for GPIIP Students Regarding Program Change in Spring 2018

Dear inlingua GPIIP Students:

We are very excited to announce some important changes to the Intensive English Program in your inlingua center.

Starting on February 26, 2018, your center will offer two different General English programs: **TL² English Experience** for part-time students and **TL² English Experience Plus** for full-time students. After months of reviewing student feedback and over eight years of success with the programs in our Tampa and Orlando centers, we know that this change will enhance your learning experience at inlingua.

What is new?

1. A Monday-Thursday schedule each week
2. Daily class schedule
3. No computer language lab
4. 100% teacher contact hours
5. Make-up classes are on Friday instead of Saturday (in Brickell)

What is the same?

1. inlingua's expert ESL instructors
2. inlingua course materials, method, and testing
3. Academic quarter start dates, end dates, and break periods
4. Part time is still 16.5 hours each week
5. Full time is still 18 hours each week (required for F-1 students)

Notes

- In accordance with the guidelines set forth by **inlingua International**, the inlingua TL² English Experience and Experience Plus programs have adopted the sequence of levels described above. inlingua TL² English programs consist of 6 courses (including the Advanced TOEFL iBT course for students who have completed level 5) to meet the needs of students at all proficiency levels (from absolute beginners to advanced learners).
- All students in TL² Levels 1-4 must complete the inlingua *Progress Test*, an informal assessment, at the halfway point of the course in order to demonstrate satisfactory progress. At the end of each course (TL² 1-5), all students must complete and pass the inlingua *Achievement Test* and demonstrate oral proficiency within or above the target range for the level in order to advance to the next level in the program. Students who fail to attain a passing grade on the *Achievement Test* or oral proficiency assessment must repeat the course before advancing to the next level. See the *Student Handbook* for complete student progress policy at <http://inlingua-if.com/school-policies/> and applicable *TL² Curriculum* for course assessment details at <http://inlingua-if.com/student-information/>.
- **inlingua International** recommends that inlingua centers follow the level and proficiency guidelines established by the United States government (i.e., the ILR five level proficiency measurement framework) to guide learners from a beginning to advanced level of proficiency in spoken English. More information about the ILR language proficiency and assessment scheme can be found at <http://www.govtilr.org>.
