

# GPIP: UNDERSTANDING YOUR PAYMENT OPTIONS AND INLINGUA REFUND POLICIES

## GPIP TUITION

inlingua provides instruction and charges tuition for the *General Purpose Immersion Program* (GPIP) **by the month**, and one academic quarter is 3 months. Due to the length and structure of this program, you cannot enroll for fewer than 1 or more than 12 months. When you enroll in this intensive English program, you can select **TUITION PLAN A** (for 12 consecutive months), **TUITION PLAN B** (for 4 consecutive months), or **TUITION PLAN C** (for between 1 and 12 months at a time).

inlingua recommends that students select the tuition option that best meets their personal and financial needs. When you choose to pay the tuition in full, you receive a discounted tuition price compared to the regular monthly tuition rate, but you risk losing prepaid tuition if you exit the program early (no refund). When you choose to pay as you go, you pay the regular monthly tuition rate but do not lose any prepaid tuition if you exit the program early.

## PAYMENT OPTIONS (see attached price sheet)

When you enroll in this intensive English program, you are able to prepay 100% of your tuition and fees (applies to Plans A and B), prepay 100% of your tuition and the first *Quarterly Services Fee* (applies to Plans A and B), or pay as you go with the monthly PLAN C. To study more than 1 month with PLAN C, you need to complete an agreement to authorize future payments. The remaining balance is paid as you go for each month of tuition until the balance is paid in full. Each monthly payment is due by the fifth day of the month.
